OUDAEN WHITE BEER

In the wharf cellar of StadsKasteel Oudaen in the heart of Utrecht, approximately 75,000 liters of beer are brewed annually in a traditional manner. The beers each have their own character. The most famous is the Oudaen wheat beer, which is also freshly tapped for you at PK. This wheat beer is an unfiltered wheat beer with 5% alcohol. The taste is described as a soft, slightly sweet & creamy taste. This makes the beer easy to drink. This beer owes its special taste to the addition of ground orange peel and coriander. Cheers!
