## OUDAEN WHITE BEER

In the wharf cellar of Stadskaasteel Oudaen in the heart of Utrecht, around 75,000 liters of beer are brewed annually using traditional methods. Each beer has its own unique character. The most famous is Oudaen wheat beer, which is also freshly tapped for you at PK. This wheat beer is an unfiltered wheat beer with 5% alcohol. The flavor is described as smooth, slightly sweet, and creamy, making it easy to drink. This beer owes its distinctive flavor, in part, to the addition of ground orange peel and coriander. Cheers!
